- As of January 2019 according to the MEES, the daily daycare fee for a regular user is \$8.35. Invoicing for daycare service takes place at the beginning of each month. The cost for the month does not change with any absences, unless it is over 5 days of illness that is supported by a Doctor's note. Vacation time is not exempted.
- Ped-days are not included in the table above. They will be invoiced separately only if you register your child(ren) to attend. The cost is \$16.35 + the cost of the activity.
- Payment is expected in full by the end of each month. It may be paid by post-dated cheques, online, cash, or via interact. There is a fee of \$5.00 for NSF cheques.
- Invoices not paid in full that accumulate over \$250.00 will result in the loss of access to the daycare service until the full amount if paid.

\*Fees are subject to change to remain in accordance with the MEES standards
