## Message from the Principal

As we slowly ease into April this week, it seems March has passed us by with a blink of an eye and we are looking forward to more sunshine and brighter days!  
The month of April is a time of transition from winter season into the anticipation of Spring. As we are getting warmer weather in the coming weeks, we want to keep our students focused on continuing to strive to do their best.  
We appreciate all of the effort you put in at home to ensure this carries over into their school days, as it impacts greatly on their academic standing.

A BIG thank you to all of our students, staff, families, Governing Board and P.P.O. members for your participation and continuous support.
