

## Message from the Principal

As you know, students in many levels will be writing end of year exams. An email will be sent out to parents with the proposed calendar to help you understand your child's schedule. It is important to know that these are not "traditional exams". These exams (ELA and FSL) are "evaluation situations" that involve group work, brainstorming and production of texts. They take place over multiple dates. It is imperative that students not be absent during their scheduled exam dates since each day's work builds on the preceding day.

## PPO & Governing Board

Please note that the next PPO meeting will be held on **May 8<sup>th</sup>** at 7 pm in the library. Our Governing Board meeting will be on **May 22<sup>nd</sup>** at 7 pm in the library. Meetings are open to the public. If you have any

questions for the GB meeting, please email the principal at least 48 hours prior to the meeting. It should be noted that individual cases will not be discussed during the meeting. An appointment with administration is required to address these issues.

## RECYCLED MASCARA WANTED

The Leadership Club needs your help to **save wild animals.**

Project Wild Wands Canada provides recycled mascaras

to facilities caring for the wild animals. Old mascara wands are used to remove fly eggs and larva from their fur. They work great because the bristles are close together. Usually, mascara are changed every 3 months.

**If you have an old one, do not throw it out. Please send it to us!**

We will prepare the wands for shipping. Thank you for your support
