

Daycare educators/Lunch supervisors Appreciation Week

From May 10th to May 14th, it is DAYCARE EDUCATORS/LUNCH SUPERVISORS APPRECIATION WEEK!

That week is dedicated in recognition and appreciation of daycare educators and lunch supervisors.

Above all, we have a dedicated staff that guides the students in their journey and equips them a little more at each step of their personal adventure.

The support of these passionate educators and lunch supervisors allows students to grow while opening up to others, learning environmental awareness, expressing themselves through creativity, moving and activating themselves and developing healthy habits. We would like to take this opportunity to thank them for their dedication to our students.

THANK YOU!!!

SPRING CLEAN UP

Terry Fox Elementary School will continue its involvement with humanitarian actions and show leadership by collecting various items to help different organizations. **We will collect old mascara wands, markers and old prescription glasses or sun glasses during the entire month of May.**

Project Wild Wands Canada

provides recycled mascaras to facilities caring for wild animals. Old mascara wands are used to remove fly eggs and larva from their fur.

The **ColorCycle** uses old markers to make wax compounds for asphalt and roofing shingles as well as to generate electricity that can be used to heat homes, cook food, and power vehicles

An official **Lions Clubs International Eyeglass Recycling Centre** provides recycled eyewear free of charge to people in developing countries.

Thank you for your support

SANITARY MEASURES

LET'S CONTINUE TO TAKE THE NECESSARY MEASURES TO REDUCE THE RISK OF INFECTION BY:

- Self-assess in the morning
- Wear procedural masks at school
- Wash our hands regularly
- Stay home if you have symptoms of COVID-19

We will get through this!!
