## Attendance, Late Arrivals & Early Dismissal

- Students are expected to be in school for 180 days each school year. Excessive absences have a negative affect on the students' academic achievements and often result in a reduced acquisition of the competencies; *\*Truancy (excessive, unexplained absences) cases may be referred to Youth Protection;*
- Students are required to be in school at 7:50 a.m. and to be punctual for all classes; *\*Late arrivals are disruptive to your child and the entire class.*
- After 8:00 a.m. parents are required to sign them in at the office;
- For security reasons, if your child is to be absent, you must notify the office by calling or leaving a message before 8:00 a.m.;

- Any child who chooses to take a vacation outside of the pre-determined school holiday calendar is responsible for catching up on missed work upon his/her return, on his/her own time;
- Teachers will **NOT** provide and prepare work for students prior to their departure for vacations;
- It is advisable that parents verify with the school administration prior to choosing to remove their child from school for vacations during the regular school year (especially at the end of term when assessments are being done). **We strongly suggest that you avoid vacation planning in April, May and June for Grades 2, 3, 4, 5 & 6 students due to exam periods;**

- For safety reasons, any modifications to the student's regular dismissal time must be communicated to the school via the agenda;

---

## School Bus Safety

- Students are responsible for following the bus safety rules;
- Students are never permitted to take a bus other than their own;
- According to the SWLSB Transportation Policy, students enrolled in Daycare (5 days) at Terry Fox are not permitted to take the bus when enrolled in Daycare. If they are not going to Daycare, they must be picked up by a parent or authorized guardian;

- Children who use the bus must have a regular routine for its use (ex: always on M-T-W, not on Th-F). **Frequent or sporadic changes of the routine put the child's safety in danger;**

## Communication Between Home and School

Communication between parents and teachers is important in ensuring your child's success at school. Teachers provide feedback to parents in a variety of ways; agenda, report cards, interviews, written notes, email and phone calls are the most common. At curriculum night, your child's teachers will tell you their preferred method of communication.

- Please respect your child's teacher's preferred method of communication;
- Please consult your child's teacher first, as they interact with your child the most. If the problem is not resolved, **only then** should the Principal be contacted;
- Teachers are not required to supply work for personal tutors.
- All communication between parents and staff members must be conducted in a respectful manner. Disrespect (verbal or written) will not be tolerated.

## **Terry Fox Anti-Bullying & Anti-Violence Summary Plan**

The word “**bullying**” means any **repeated direct or indirect behavior**, comment, act or gesture, whether deliberate or not, including in cyberspace, which occurs in a context where there is a power imbalance between the persons concerned and which causes distress and injures, hurts, oppresses, intimidates or ostracizes;

The word “**violence**” means any intentional demonstration of verbal, written, physical, psychological or sexual force that causes distress and injures, hurts, or oppresses a person by attacking their psychological or physical integrity or well-being, or their rights or property.

The following actions can be considered bullying and/or violence if they meet the above criteria:

### **Physical:**

- Hitting, kicking, punching;
- Pushing, shoving, spitting;
- Forcing others to hand over food, money or something that belongs to them; and
- Making someone do something, they do not want to do.

### **Verbal:**

- Name calling;
- Teasing, insults, putdowns;
- Threatening of any kind;
- Making fun of someone because of their appearance, physical characteristics or cultural background; and
- Making fun of someone's actions.

### **Indirect (social and psychological):**

- Excluding others from the activity or the group;
- Spreading untrue stories about others;
- Making inappropriate gestures;
- Taking, hiding or damaging something which belongs to someone else;
- Sending nasty emails or text messages; and

- Threats, Insults, Rumors;
- Identity stealing;

\*These lists are not exhaustive.

**Bullying and violence will not be tolerated and will require intervention should they occur.**

**Bullying is not fighting.** Bullying is aggression (imbalance of power) and not necessarily a physical fight. A jostle, a fight, an insult or another threat restricted to two individuals on equal power footing is not considered bullying.

The Terry Fox administration, staff, governing board and P.P.O are taking steps to become more ecology-minded and is encouraging students to do the same through various avenues. The school primarily corresponds with its community via e-mail, Facebook, and the school website to reduce the use of paper.

**Non-reusable plastic water bottles will not permitted at Terry Fox. Students must bring reusable water bottles to school.**

Terry Fox is going to allow **ONLY reusable water bottle** at school. To help the environment and reduce the quantity of plastic bottle being used by students. The school will have water distributors in different areas for students to refill their bottle.

This new initiative will sensitize students on the importance of water conservation, the reduction of plastic and the hygiene measures taken by the school to limit the contact with water fountain by using touchless water cooler dispenser.

Students are encouraged to get involved in projects such as litter pickup, composting, and recycling. If we all make an effort to take care of our environment, doing so will become second nature.

We can all make a difference!
